

# Becoming Illustrators of Lyrics

Maple East students had the opportunity to meet and interact with Author and Songwriter, Norma L. Gentner throughout the day on Tuesday, January 28<sup>th</sup>. Second and fourth-grade students were introduced to her songbook titled **Changes** and became illustrators of

figurative language found within her lyrics. There were so many talented artists who submitted pieces it was difficult to select a few to share at the author's website. She narrowed it down to two second graders: **Sienna** from Risch's class and **Jackson** from Haley's class, and two fourth graders: **Ali** and **Ophelia** from Armstrong's class.

Again, congratulations to the artists below and all the artists who submitted pieces!
